

Build a Better Life with Credit Champs

Whether you need help repairing your credit, establishing credit, or building your business's credit, The Credit Champs are in your corner to help you reach your financial goals.

Good credit is something everyone needs but few know how to build, much less repair when the damage has been done. I've dedicated myself to helping small business owners, and anyone else who needs help, build and repair their credit so they can get approved for credit cards, business funding, and loans for houses or cars.

Credit can be a powerful tool for those who know how to leverage it. Once you unlock the secrets of building and maintaining credit, you open a world of possibilities that can help you achieve all your business or personal financial goals.

Why Work with The Credit Champs?

It can be easy to get lost in the weeds of small print when trying to build your business or personal credit to take your financial status to the next level. Working with a knowledgeable partner can help you create a clear path forward to financial success.

The Credit Champs' goal is to set each and every one of their clients up for success. We love to see our clients get to the next level in their business or personal credit and try and go above and beyond to help them succeed.

We are so confident in our credit-building courses that we offer our clients the following guarantees:

- If we're working with you to repair your credit, you **will** see results in 45-60 days.
- If we're working with you to build business credit, you **will** get at least \$50,000 in funding and qualify for a vehicle with \$0 down.

How The Credit Champs Can Help

Everyone has unique goals when it comes to their credit. Whether you're looking to repair your personal credit, build your business credit, or both, The Credit Champs have the expertise to help you achieve all your financial goals.

As business credit mentors, we are here to teach you:

- How to build business credit;
- How to effectively leverage your business and personal credit;
- How to structure your business;

- How to get up to \$150k in business funding; and
- How to buy vehicles in your business name with \$0 down.

Beyond our business credit expertise, we can help you repair and rebuild your personal credit so you are better able to buy a house or a car and get approved for credit cards or personal loans.
