Dear XXXXX,

Did you know that this year marks the 340th anniversary of the construction of the Old Brick Church at St. Luke's Historic Church and Museum? That's 340 years of history that we are actively discovering, preserving, and promoting. Your support is, and always has been, vital to this mission.

To celebrate this important milestone, as our country moves toward its 250th year of independence, we're hoping to raise **$34,000** by the end of the year. Your gift will enable us to continue to tell the stories of all the people who have passed through this site, whether it's through cataloging and displaying artifacts, hosting free educational events, or preserving this iconic structure.

A gift of **$100** (or any amount you're comfortable with) is a gift that will honor the past 340 years of resilience and to ensure there will be 340 more.

Sincerely,

John Ericson
Executive Director

P.S. If you are able to **donate online**, your gift will be matched by the Jessie Ball duPont Foundation, up to $10,000! Please consider taking advantage of this amazing opportunity! You can make a donation by scanning the QR code below or visiting www.stlukesmuseum.org/donate.
