@Pardon_my_trade

This is personal for me...

I've spent countless hours building tools for the crypto community, and one of the biggest obstacles isn't the technology—it's the uncertainty around the rules 🙄

Builders thrive when expectations are clear. Consumers benefit from stronger protections. Businesses gain the confidence to invest and hire. The U.S. has the chance to lead Web3 instead of watching innovation leave!!

That's why I support efforts to bring regulatory clarity and have joined Team1 as a collaborative ▲ 🔥 🇺🇸 🙄

Team1 USA 🌟  @Team1USA_ · Aug 5

Team1 USA supports the CLARITY Act and joins @standwithcrypto in urging the Senate to bring it to a vote.

The current patchwork of digital asset regulation creates uncertainty for builders, businesses, and consumers. The CLARITY Act would establish ...

Project Demo CG + Gunner

PEPINHO GAMES

PLAY. COMPETE. WIN.

Skill-based gaming, powered by Avalanche.

Quick Games • Leaderboards • Tournaments
Rewards • Pepi Points • GamePass • Community

OUR ULTIMATE GOAL

Bring thousands of new players into the Avalanche ecosystem through games they actually want to play.

Web2 onboarding is ready:
Credit Card • Apple Pay • Google Pay • PIX

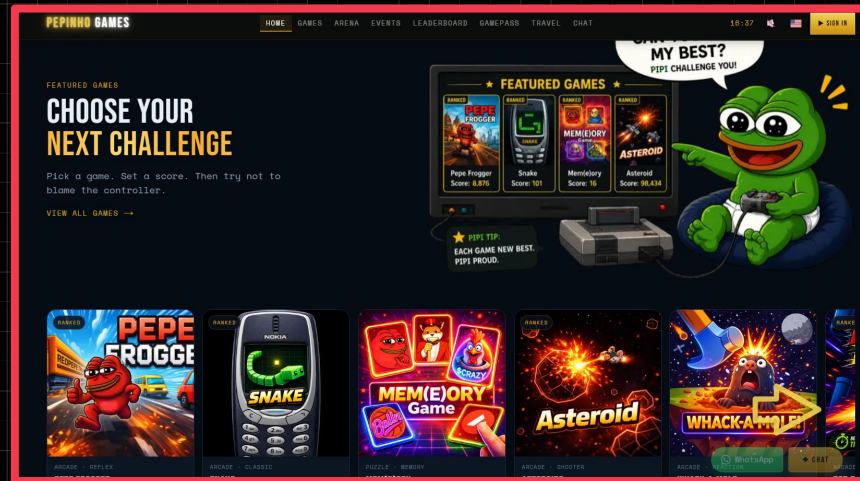

Brazilian + global onboarding is about to begin.

No Web3 learning curve.

Play first. Discover Avalanche naturally.

The game becomes the onboarding.

Quests (Luke)

Quest: Write a thread about the Builder Hub

Create and publish a thread on social media about the Builder Hub, explaining why it's a great place for developers and builders to discover resources, explore opportunities, and build.

Requirements:

- Minimum 150 words across t
- Must explain what the Builde
- Highlight why it is useful for
- Include at least 2 specific be
- Include this link: <https://go.te>
- Content must be original anc
- The thread must be publicly
- Low-effort, copied, spammy,

How to Complete

- Publish your thread and sub

Quest: USA: Tell the Senate to Pass the CLARITY Act

The CLARITY Act is moving through the Senate right now, and your senators need to hear your voice. Two minutes puts your name on the record.

Go to <https://standwithcrypto.org> and use

- * Fill in your first name, last name, email ac
- * Wait for the pre-written email to display
- * Hit Send

What counts as done: paste the URL at the

Quest: Canada: Make Your Voice Heard on Crypto Policy

Canada's approach to crypto policy is still taking shape, and policymakers need to hear directly from people who build and participate in the industry.

Go to <https://www.standwithcrypto.org/ca> and use their "Email your MP" action:

- * Sign up or sign in to Stand With Crypto
- * Find the "Email your MP" action
- * Enter the requested information to identify your representative
- * Review the message and hit Send

What counts as done: Paste the URL at the top of the email screen in the links section here.

Team1 USA Chapter Meeting

Chapter Priorities (Luke)

- **Member & collaborator support:** Champion your projects, career growth, and goals in web3
- **Avalanche Summit Support:** Encouraging attendance, hosting side events, and generate enthusiasm for New York in September
- **Events & Local Community:** Recurring city meetups, conferences, student builders, art, culture, and virtual events
- **Content & Storytelling:** Telling the story of Team1's impact, supporting builders, and engaging the community
- **Education:** Help educate and onboard students, new crypto users, and builders
- **Policy advocacy:** Support crypto-friendly legislation and amplifying US regulatory wins
