

Om Massage

Connecting your body, mind, and soul

Om Massage
is dedicated to
providing relaxing
Massage, purifying
Yoga, and healing
Reiki. I use my love of
each of these in every

session, leaving
my clients feeling
relaxed and balanced.

Custom blended aromatherapy is
provided in each session. I believe
massage, yoga and reiki are necessities in
maintaining natural health and wellness and shouldn't be
considered luxuries, I keep my prices affordable for that reason.
