

Join Atlanta Neuroscience Institute Seeking Adult Neurologists

Pioneering Neurological Care • Advancing Research • Transforming Lives

Position Details

- Competitive compensation
- 4 ½ days of outpatient clinic
- ½ day for administrative duties
- No mandatory inpatient calls
- Voluntary weekend inpatient call with additional compensation
- On-call duties 2–3 times per month for telemedicine acute stroke and patient phone calls

Why Join ANI?

- Be part of a respected, mission-driven organization with decades of impact.
- Collaborate with top-tier neurologists, imaging experts, and researchers.
- Practice in a supportive, outpatient-focused environment.
- No mandatory inpatient calls — enjoy better work-life balance.
- Opportunities for leadership and innovation in program development.

The Atlanta Neuroscience Institute (ANI) is a nonprofit 501(c)(3) dedicated to delivering world-class neurological care. We pioneered the introduction of advanced neuroimaging technology to the state of Georgia, setting the bar for excellence in diagnosis, treatment, and research.

Our Mission & Vision

Our mission is to provide comprehensive, integrated neurological care from diagnosis to treatment all under one roof. We are expanding our reach to the southeast region of Georgia, ensuring more patients have access to cutting-edge clinical care, imaging, infusion, research, and social support services.

Who We're Looking For

We seek entrepreneurial-minded physicians who share our passion for innovation and patient-centered care. Expertise in dementia and neuromuscular disorders is preferred, but we welcome candidates with other subspecialty interests.

Take the Next Step

If you are ready to join a collaborative, forward-thinking neurological institute that values your expertise and supports your professional growth, we want to hear from you!
