

About Kevin

Kevin has been a leader in the community for decades, as a businessman, board member for multiple non-profits, pastor and Bible teacher. His own personal story has created and driven the life-changing model that has become known as Truth's Moment.

About Beth

Beth's experience includes banking, office administration, nurturing new ideas into reality, and her long-time business partnership with Kevin. Her love for vision, design, and writing complement Kevin's love for building

Discover Your Best

Perspective

Enrich your relationships with yourself, with others, and with God. We offer seminars, group counseling sessions, and trainings. Learn tools

you can actually use!

From Us...

The concepts we teach change lives. People are learning to reach for the truth of who they are and to break the chains that have been keeping them from living in joy.

Our desire is to enrich as many lives as possible. Wouldn't you love to renew your own perspective and enjoy the freedom that brings?

...To You

You can benefit by becoming a part of Truth's Moment. There are unlimited opportunities to share this movement. You can host events at your church or place of business, or you can share your own gifting as a counselor using these methods. You can enrich your learning through our training intensives and become certified to join the Truth's Moment brand, which allows you to use our copyrighted models and materials.

Our Services

✓ Seminars

We offer a number of topical seminars related to relationships, boundaries, reconciliation, personal value, and many more, as well as a detailed look into our unique Thought Captivity Model (TCM.)

✓ Training Intensives

Multi-day training provides the depth of relationship insight and development of concepts that can take you into an entirely new perspective and lead you to new opportunities as a step to counseling others.

✓ Retreats

Get away from the daily demands and focus on your relationship with yourself and your partner. Learn life-changing techniques to manage one of the most important relationships your life.

✓ Counseling

Sometimes we all need time with someone who can listen, guide, and help us see ourselves in a new perspective. Live out your true identity.

Story Workshops

For those of you who work better at untangling events through the written word, Beth is launching story workshops. Writing your story and sharing it with others can give you a new perspective on your old perceptions. It goes even further, allowing you to write new endings to the story you thought you would define you.

Kevin Unscripted

Kevin invites you to join him as he explores scripture, disciples, and shares the forever perspective of our lives as believers.

Outdoor events are available for worship and fellowship. Keep an eye on Facebook for updates and messages!
