

JUST DOM POP THINGS

SAFWORD SESSION

KYLIE CONNECTION

A scientific hypothesis: the idea that one way or another, all modern pop albums are connected to legendary Australian superstar Kylie Minogue. In every episode we test the theory by tracing producers, collaborators and performers far back enough to reveal a *Kylie Connection*. It's like 6 degrees of Kevin Bacon, but for homos.

SAFWORD SESSION

LATE-ALBUM SMASH

The up-tempo reprieve in the final chapter of an album, typically marking a departure from the energy of the surrounding tracks. While the jury's still out on whether a closing track can fulfill the duties an *LAS* requires, one thing is certain: no project is complete without it.

SAFWORD SESSION

THE GOOD HEADPHONES

Quite simply, listening to music with *The Good Headphones* means listening to music stoned. An experience for the senses, *TGH* gets its namesake from the quality of production detail you can hear under the influence of certain substances. So curate a playlist, get baked out of your god damned mind, slide on any decent pair of buds, press play, and give in to the will of *The Good Headphones*. We'll see you on the other side.
