WHAT'S HOT

This Summer

Summer days are drifting away.
Keep riding high with us.

"Freshest Flower in Florida"

FIRE STRAIN

of the week

PLATINUM DELIGHTS

Hybrid-Sativa

Breeder: Sin City Seeds

Genetics: Platinum GSC x BluePower

Top Terps: Caryophyllene, Myrcene, Limonene

Sweet to taste and quick to affect, Platinum Delights is the flower you can count on in any scenario. With sugary, fruity aromas on the way in and a near-immediate carefree & relaxed exhale, you'll soon realize you didn't strike gold, you struck Platinum.

MELT IN YOUR MOUTH, NOT IN YOUR CAR.

Wana's pectin-based recipe stays solid up to 175°F. Most other gummies melt down (literally) at 90°F.
