Advancing Cannabis Science

Parallel is one of the largest privately-held, vertically-integrated, multi-state cannabis operators in the United States with a simple mission — to bring well-being and an improved quality of life through cannabinoids. We are an inclusive, people-centric company that puts our associates', customers' and communities' well-being as a priority.

We aim to provide our customers with a wide variety of high-quality and innovative cannabis brands and products with a best-in-class customer experience.

We seek to improve our consumers well-being and quality of life through a diverse portfolio of high-quality, proprietary consumer brands in a variety of formats today, while at the same time we aim to continue to innovate through science, technology and R&D to support new product development going forward.
