Clearer Skin in 10 Minutes a Day — No Filters Required

[Subheadline]

The LumaGlow LED Face Mask uses dermatologist-recommended light therapy to reduce breakouts, boost collagen, and bring out your natural glow — all from home.

Beauty Tech That Works While You Chill

Forget overpriced spa treatments or harsh chemicals. LumaGlow gives you visible results with zero downtime.

- 💡 Red light boosts collagen and reduces fine lines
- 💡 Blue light targets acne-causing bacteria
- 💡 Amber light soothes inflammation and calms redness

Just put it on, press a button, and let the lights work their magic.

Why LumaGlow?

- ✅ FDA-cleared for safety and results
- ✅ Fits comfortably with adjustable straps
- ✅ Auto shut-off after 10 minutes

✓ Rechargeable and wireless — no cords, no hassle
