

A haunted house, but...

**That ghoulish groaning
sound is your HVAC system
taking its last breath.**

hometap

hometap 🧛 Between phantom fees and costs, mysterious maintenance tasks, and spooky surprises lurking around every corner, owning a home can be pretty scary all year round. While we can't cast a spell to banish all of the frights, we can give you the resources you need to make homeownership less chilling and more thrilling.

A haunted house, but...

That mysterious knock is your new neighbor, with prying fence line questions.

A haunted house, but...

**That eerie silence is your
contractor ghosting you —
8 weeks into your renovation.**

A haunted house, but...

**That creepy clanging
noise is your "DIY"
spouse fixing the
sink (again).**
