Introducing the Home Equity Dashboard

H Hometap <hello@hometap.com>

Protect, grow, and take control of your home equity.

Hi {{ people.first-name | default: 'there' }},

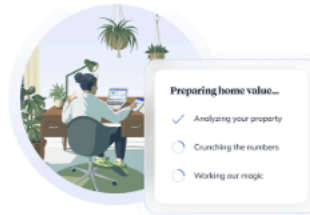

Your home is more than just a place you rest your head at night; it's also your biggest financial asset. And now, you can manage both your Hometap Investment and your home equity within your existing account. The next time you log in, you'll have access to our new **Home Equity Dashboard**, which has all of the tools and resources you need in one place to make the most of homeownership.

Here are just some of the things you can do with your Dashboard:

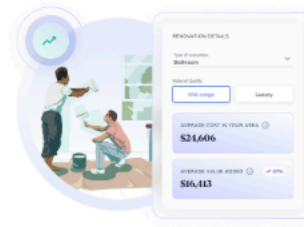

Demystify your equity with:

- Visibility into your estimated home value, mortgage, home equity, and Hometap Investment — today and up to 10 years down the road
- The ability to view and save various financial scenarios, including varying rates of home appreciation

Preserve, protect, and maximize your home value with:

- A home renovation calculator to forecast the cost, value add, and return on investment for different home repairs and upgrades
- Ongoing home maintenance checklists and reminders of routine and critical tasks, broken out by season

Protect your investment and grow home equity over time with:

- Homeownership guides and resources
- Exclusive home services offers and discounts from our trusted, best-in-class partner network, including Branch, SimpliSafe, and several more to come.

Log in and get started today!
