Don't lie, you totally thought of someone when you read "my person." Whether it's your best friend, your mom, or your sister, she's your number one, and what better way to show it than with a modest, fashion-forward bracelet? You know the saying: everything's better in Morse code! Wait, that's not a saying?

No, not the mama bear whose porridge was too cold. We're talking about the fierce lady who raised you! (Though she might resemble an animal before her morning coffee...) Whether it's Mother's Day or just an average Tuesday, celebrate your mother by getting her this intricate necklace. That way, you'll always be close to her heart -- literally!
