Woman:

I was an hour late, and John had been waiting in the kitchen. He started asking me questions like where I'd been, and then out of nowhere

Man: (interrupting)

She fell over.

Woman:

I tried to apologise, to explain that I've been working late, but

Man: (interrupting)

She became emotional,

Woman:

And then

Man: (interrupting)

She walked into the wall.

Woman:

I don't know what to do. I think I need help. I'm scared that

Man: (interrupting)

She's untrustworthy and delusional

Woman:

Please, please

Man: (interrupting)

Just leave her alone. She's fine.
