

Your story is worth telling.

Share the data in your DNA with the world.
Join our Customer Advocacy Program.

Your successes are an inspiration. Let Hitachi Vantara help you share your stories with the world.

Storytelling is powerful.

The **Hitachi Vantara Customer Advocacy Program** is a collaboration between our team and your organization. We'll work together to develop co-promotional assets, conveying your accomplishments with our solutions in ways that will wow your customers and peers.

Your time is valuable. That's why the program is designed to be flexible, ensuring the best experience possible. Of course, you and your team will also have final approval of all assets created.

Sharing your wins with a global audience will help raise awareness for you, your team, and your organization, and build meaningful connections as part of a unique community.

The benefits of being part of this prestigious program are:

Introductions to industry leaders, journalists and analysts who will become aware of your achievements.

Building your brand and promoting your business.

Invitations to speak at events and webinars.

Enabling and inspiring others to learn from your experience.

Eligibility to be nominated for various awards.

Connecting with industry peers and networking globally.

Assets we will create together:

Video testimonials	Customer stories	Podcasts
Quotes	Blogs	Analyst reports
Webinars	Speaking opportunities at events	Media briefs
Press releases	Awards	Social media
Anonymous surveys	Peer-to-peer conversation	Respond to RFPs

Your story is just beginning

As a participant of the Hitachi Vantara Customer Advocacy Program, you will not only captivate your target audience, but connect with a community of peers spanning the globe. You'll form lasting connections with your fellow program participants and expand your reach exponentially.

We are Hitachi Vantara

We guide our customers from what's now to what's next by solving their digital challenges. Working alongside each customer, we apply our unmatched industrial and digital expertise to deliver value for each customer.
