Don't Take Our Word for It—Take Theirs

Town Oil's HVAC techs and fuel delivery drivers aren't chasing the clock. They're building something better, right here in their own community.

You can, too. Join a company that invests in your future, values your humanity, prioritizes your well-being, and keeps you local.

"[I] really enjoy working at Town Oil because of the people, everyone's been great. It makes coming to work every day that much better."

—Nick L.

Not All Technician Jobs Are Created Equal

When you compare HVAC technician jobs near me or fuel delivery driver jobs near Hartford, CT, it's easy to

think they're all the same. But look closer, and the differences become clear—see why Town Oil is one of the best HVAC companies to work for in Connecticut.

	Town Oil	Typical Competitor
Schedule	Monday-Friday, days only	Rotating nights/weekends
Routes	Local deliveries only	Long-distance or inconsistent
Tools & Equipment	Bring hand tools only	Bring your own
On-Call Requirements	Rotating on-call for no heat only	Regular on-call rotations year-round
Training	Ongoing and fully paid	Minimal or self-funded
Team Support	Family atmosphere, real feedback	Distant management

Tired of Burnout? Here's What a Better Job Looks Like

You've put in the work. You've done the late nights. Now it's time for a job that works for you.

Find the perfect HVAC job or fuel delivery driver job in the Hartford, CT, area with a team that values balance, respect, and long-term growth. At Town Oil, we don't just fill schedules—we build sustainable careers.

When you're ready to make a move, you'll know why we're worth it.

- **Local routes only.** You're home every night.
- **Paid training and certifications.** We invest in your growth.
- **Respectful, team-first culture.** Your voice matters here.
- **No after-hours surprises.** Your time matters.
- **Full benefits, 401(k), and PTO.** We take care of our people.

Be Part of Something Real From Day One

For over 60 years, Town Oil has been a trusted name for heating oil and HVAC services across the Hartford area. We're proud of our legacy, but even prouder of the people who make it possible: our team.

We're not just here to get the job done—we're here to do it right, together. That means:

- Predictable schedules and room for rest
- Well-maintained equipment and the tools you need to do your best work
- Leadership that listens, collaborates, and supports you
- A culture where mistakes are part of learning, and help is freely given
- Growth and training opportunities for every stage of your career

A great team isn't built on résumés alone. Whether you've been in the field for 20 years or you're just getting started, what matters most is how you show up: dependable, coachable, and ready to learn. If you bring heart to your work, we'll bring the support to help you grow alongside us.

Tired of being treated like a number? Join a team that sees your whole self, supports your growth, and keeps you close to home. At Town Oil, you get the heart of a family business with the tools and support of a forward-thinking company. We honor our roots—and invest in your future.

Still Not Sure? Let's Have a 5-Minute Call

Whether you're exploring local HVAC technician jobs with benefits, looking into fuel delivery driver jobs in the Hartford area, or just wondering what it's like to work for one of the best HVAC companies in Connecticut that actually puts people first, we want to talk to you.

You don't need a resume. You don't need to commit. Just start the conversation and see what better really looks like.

You've got nothing to lose—and maybe something better to gain.
