LET'S CREATE
THE **FUTURE** YOU
DESERVE.

Dear Future Trailblazer,

You're brilliant, motivated, and ready for college. At AMSC, we recognize your potential and are here to help you fulfill it.

How? By putting **you** at the center of everything we do. From the moment you first set foot on campus to the time you turn your graduation tassel, we support your goals—with an education that's relevant, meaningful, affordable, and attainable.

Relevant, because your associate or bachelor's program will prepare you to join the workforce, broaden your career prospects, or pursue a postgraduate degree.

Meaningful, because your academic and extracurricular endeavors will ignite your passion, fuel your initiative, and cultivate your innate ability to lead.

Affordable, because your per-credit and full-semester tuition costs will be the lowest you'll find in the Atlanta metro area, and you may be eligible for scholarships, too.

Attainable, because you *will* graduate. Your professors, advisors, coaches, and peers will have it no other way. Neither will I.

That's because AMSC is *in Atlanta, for Atlanta*. It's right there in our name. We're the only institution in the University System of Georgia that can say that. **And you belong here.**

We've saved your seat so you can prove it.

I hope to see you on campus soon,

Ingrid Thompson-Sellers, PhD
President

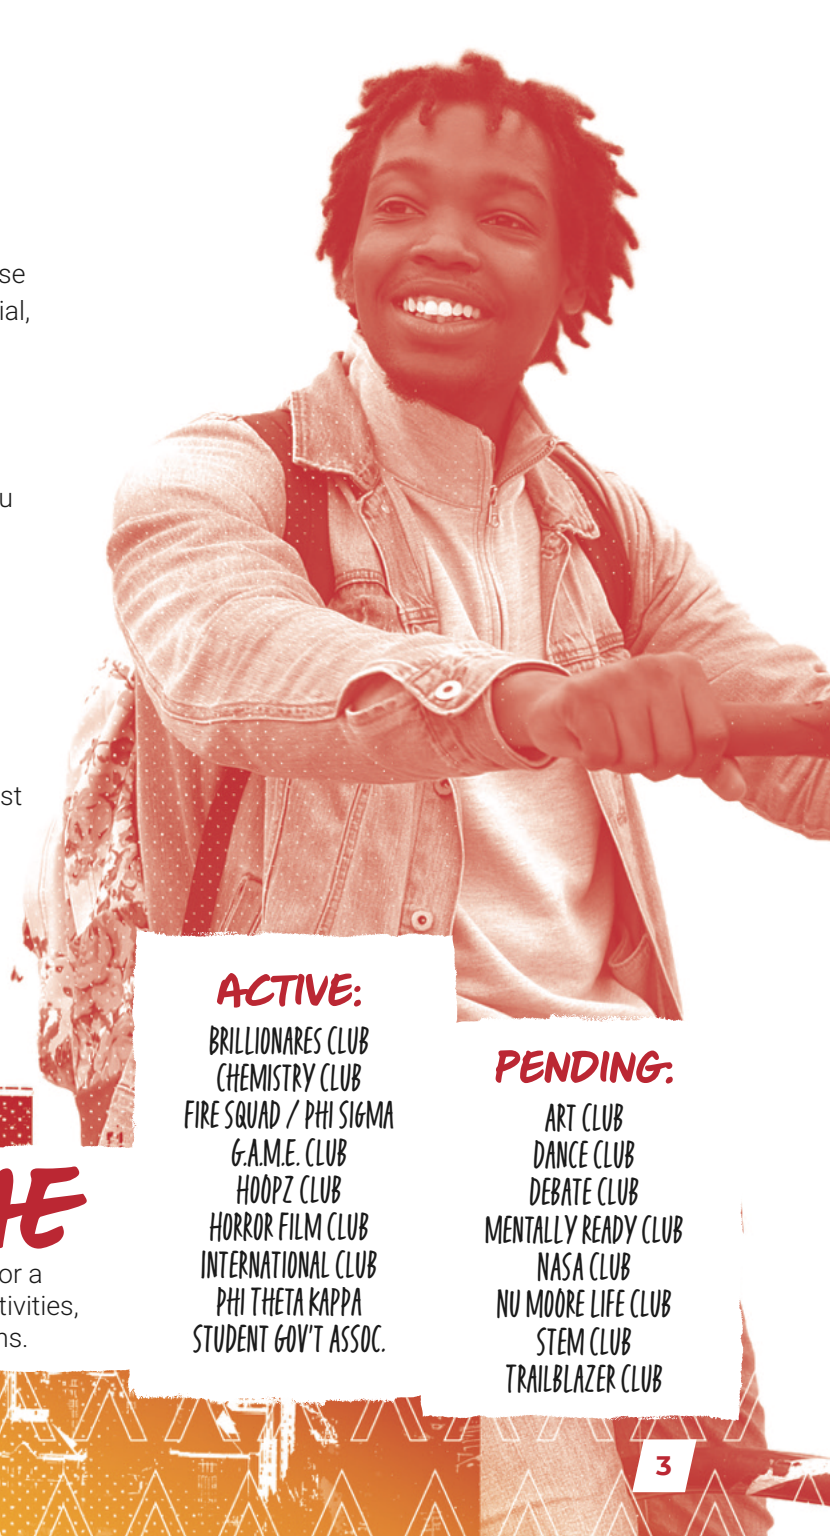

LIVE THE TRAILBLAZER LIFE

When you join us at AMSC, you will:

BELONG. In class and on campus, you'll immediately feel at home. That's because we're a Primarily Black Institution (PBI) whose student body fully reflects the richly diverse, multiracial, and multicultural demographics of Atlanta.

BECOME. Book learning is one thing. Experiential education is another. You'll cultivate the passions and leadership skills you need to be—and to do—anything. Our student-led activities and organizations show you how.

BE YOUNG. From cafes to clubs and music to museums, there are benefits to being in the heart of Atlanta. And you can immerse yourself in all of them. That's because you'll be just a few steps, blocks, or MARTA stops away from the best our city has to offer.
