My toddler likes to roam so I appreciate being able to see the security camera tv from my seat, as well as the cleanliness and attentive customer service. Good job guys we will be back.

Highly recommend this centre for parties! We had our daughter's 6th birthday here as a private booking and we had such a wonderful experience! All the equipment is clean and tidy. The staff were pleasant to deal with! Beautiful centre too!

The experience overall was great. The staff has CCTV monitored screens at all times even when sitting at the table. Highly recommend the family pack. Highly recommend the family pack. 4PM it pays for your dinner being free for the kids to eat.
