

MADE HERE, BY OUR PEOPLE

Meet the hands behind your favorite bites at Fox Point Farms. There's a lot that happens between the farm and your plate—and some pretty special people making it happen.

The Huerta team has been hard at work bringing new flavors to the stand while keeping everything centered around fresh, simple ingredients. Our salsas, herbs, marinades, and toppings make the most of what's growing around us, while our housemade tortillas begin with our own masa. Everything is prepared fresh and made to order right here on the farm. And there are a couple new reasons to stop by...

NEW ENCHILADA PLATE

A comforting new Huerta favorite, thoughtfully crafted by Huerta Team Lead Airam. Finished with a rich red sauce, lemon pepper crema, and queso fresco, it's a dish made with plenty of care—and plenty of flavor.

THE BRIAN BURRITO

Meet our new vegetarian burrito: hearty, flavorful, and satisfying from the first bite. Named after our beloved owner, Brian Grover, this one is a little nod to the visionary behind Fox Point Farms—and a delicious new addition to the Huerta menu.

What makes these dishes special isn't just what's on the plate. It's the care, creativity, and hands behind every tortilla, salsa, and meal.
